### Spa Etiquette

#### Appointment Scheduling

Please arrive at the Spa 10 minutes before your appointment for facial treatments, body treatments or packages. This allows time to complete your consultation card without cutting in to your treatment time. As it is our objective to run on time for all of our appointments, we ask that you arrive on time to avoid having your treatment time reduced.

#### Appointment Confirmations

Our computer system allows us to confirm your next appointment via text message.

If we have your current mobile number, you will receive a text message asking you to text back and confirm your appointment for the next day.

This is an automated service, so any message that you send back other than Y (yes) or N (no) will not be received.

If you do not wish to use this service, or would prefer a phone call, please advice at time of booking.

#### Cancellation Policy

As we often have to turn clients away due to the high demand for our services, we request your assistance in giving us as much notice as possible if you need to change or cancel your appointment. We will always endeavour to rebook the space to avoid charging cancellation fees, but if this is not possible, the following charges apply:

For cancellations or changes of bookings of 30 minutes or longer within 24 hours, a 25% cancellation fee could apply.
